HAMILTON – The death of a Hamilton woman found floating in the Great Miami River on Monday afternoon has been ruled a suicide by Butler County

Coroner Dr. Lisa Mannix.

Shelby Ryczek's, 57, cause of death was drowning, according to the results of an autopsy performed Tuesday.

Ryczek's fully-clothed body was discovered floating in the river just

south of the low level dam along Neilan Boulevard in Hamilton by people walking along the bike trail..
